

VISA CARDHOLDER BENEFITS

Visa Signature Rewards Credit Card

Auto Rental Collision Damage Waiver

Auto Rental Collision Damage Waiver (ARCDW) gives eligible Visa cardholders insurance coverage for physical damage and theft, reasonable and customary towing, and valid loss-of-use charges and administrative fees when they reserve and pay for a rental car with their covered account. Certain terms, conditions, and exclusions apply. For coverage to apply, the cardholder must use the covered account to secure transactions.

How the benefit works:

- Cardholders must reserve and pay for the entire rental with their covered account.
- Cardholders must decline the Collision Damage Waiver coverage offered by the rental agency and make sure the cardholder's name is listed as the primary renter on the auto rental contract.
- Any additional drivers must also be listed on the auto rental agreement.
- In the event your cardholders need to file a claim, the agents are committed to making sure they receive every dollar that they are eligible for under the policy.
- Cardholders have the option to file the claim at eclaimsline.com and upload the required document, pictures, etc.

Lost Luggage Reimbursement

Lost Luggage Reimbursement will reimburse the eligible Visa cardholder for the difference between the value of the amount claimed and the common carrier's payment when the cardholder checked luggage and contents are lost due to theft or misdirection by the common carrier (e.g., airline, rail, bus, ferry). Some configurations include checked luggage while others include checked and carry-on baggage. For coverage to apply, the cardholder must use the covered account and/or rewards program associated with the covered account to secure transactions.

How the benefit works:

- Cardholders must pay for their passenger fare with their covered account and/or rewards program associated with the covered account.
- Cardholders must file a Lost Luggage report before leaving the passenger terminal and provide a copy of that report along with their other claims documents.
- In the event your cardholders need to file a claim, the agents are committed to making sure they receive every dollar that they are eligible for under the policy.
- Cardholders have the option to file the claim at eclaimsline.com and upload the required document, pictures, etc.

Travel Accident Insurance

Travel Accident Insurance provides accidental death and dismemberment coverage when the eligible Visa cardholder purchases the passenger fare with the covered account. Coverage is in effect on the common carrier (e.g., flight, rail, bus, ferry, cruise ship), as well as while on courtesy ground transportation to and from the airport (or train depot, bus terminal, etc.), between terminals and when the cardholder is at the airport immediately before departure or immediately after arrival on any covered trip. Certain terms, conditions, and exclusions apply. For coverage to apply, the cardholder must use the covered account to secure transactions.

How the benefit works:

- Cardholders must pay for their passenger fare with their covered account.
- If a cardholder has an accidental bodily injury while on a covered trip that results in a death or dismemberment, the cardholder will be covered by a percentage of the principal sum for the loss of life or dismemberment.
- In the event the cardholder needs to file a claim, the agents are committed to making sure they receive every dollar that they are eligible for under the policy.
